

Medicine Optimisation Prescribing Pharmaceutical Rebates schemes

Staffordshire and Stoke on Trent Clinical Commissioning Groups

Medication choice is clinically led by the prescribing clinician on an individual patient basis. Staffordshire and Stoke on Trent Clinical Commissioning Groups (CCG) do promote the medicines included in the prescribing rebates schemes on prescribing software where relevant, as a reminder to clinicians of formulary options.

Prescribing formulary choices within South Staffordshire Joint Formulary can be found through: <http://www.southstaffordshirejointformulary.nhs.uk/>

Prescribing formulary choices within North Staffordshire and Stoke on Trent Joint Formulary can be found through: www.northstaffordshirejointformulary.nhs.uk

All CCG employees follow the CCG gifts and hospitality policy.
